

INDEX MS 32 C

Kind : Cnc multispindle lathe
Brand : INDEX
Model : MS 32 C
Year : 2002
Serial Nr: 150202
Stock Nr : 10335

TECHNICAL DETAILS

- number of spindles : 6 independent
- bar clearance : 32 [mm]
- maxi spindle speed : 6 300 [rpm]
- machine equipped with 28 numerical axes
- slide unity 1.1 : X and Z axes controlled by CNC
- slide unity 2.2 : X and Z axes controlled by CNC
- slide unity 3.1 : X and Z axes controlled by CNC
- slide unity 3.2 : X and Z axes controlled by CNC
- slide unity 4.1 : X and Z axes controlled by CNC
- slide unity 4.2 : X and Z axes controlled by CNC
- slide unity 5.1 : X and Z axes controlled by CNC
- slide unity 5.2 : X and Z axes controlled by CNC
- slide unity 6.1 : X and Z axes controlled by CNC
- slide unity 6.2 : X and Z axes controlled by CNC
- synchronous unit, spindle position 6.1

EQUIPMENT

- INDEX C200-4 control (Siemens SINUMERIK 840D)
- Simple NCU
- IEMCA SIR MS32/33/P bar feeder
- Coolant tank : KNOLL AE 1076
- * with high-pressure pump
- KNOLL VRF 500 chips conveyor

Kind : Cnc multispindle lathe

Brand : INDEX

Model : MS 32 C

Year : 2002

Serial Nr: 150202

Stock Nr : 10335

- Parts catcher with conveyor in position 6
